

Mula Education Society's

Arts, Commerce and Science College, Sonai

Academic Year: 2017-2018 (Term-I)

Two days training workshop on INNOVATIVE MIND AND SKILL DEVELOPMENT

Venue: Seminar Hall

Date: 20 - 21/12/2017

Two days training workshop on innovative mind and skill development program conducted under the science association: 2017-18 was organized on 20th and 21st December at 10.00a.m. Venue: Seminar Hall.

20-12-17

Dr.S.L. Laware started the first session of workshop with welcome and introduction of resource persons after the *Deep-Prajwalan*.

Akshay Onkar gave training on environment and ecosystem of college campus through a tree walk. He discussed the observation skills and narrated the participant how to observe flora and fauna. He also discussed how to develop innovative idea based on observation skills

Vikas Tadage conducted the second session; he spoke on innovative mind and observation skills with help of experiments based on biology and chemistry.

21-12-2017

Vikas Tadage conducted first session on research methodology and literature review. He spoke about how to select research topics, and how to write a research article. Dr. Laware shared his views and guided the participants.

Vikas Tadage, Askshy Onkar and Dr. Laware conducted second session on developing innovative minds and oriented participants on how to find out way out to things which they think-IMPOSSIBLE

Total 50 participants (students and teachers) were registered for the workshop. The Training was concluded with participants feedback and certificate distribution. Faculty members and non-teaching staff extended their support for the success of workshop.
