National Science Day 2019

National Science Day was organized by Science Association of the college on 28th February 2019 at 10.00 a.m. in Department of Botany. Prof. Balasaheb Khedkar gave introduction of the function. He said that the National Science Day is celebrated on 28th of February Every year to mark the discovery of the Raman Effect by Indian physicist Sir Chandrashekhara Venkata Raman on 28th February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel prize in Physics in 1930. National Science Day is being celebrated every year to widely spread a message about the Importance of science used in the daily life of the people. To display all the activities, efforts and achievements in the field of science for human welfare. It is the main science function of India. The objective of this day is to discuss all the issues and implement new technologies for the development in the field of science. The theme for 2019 is that Science for the people and people for Science. To encourage the people as well as popularize the Science and Technology. The President for the function is Dr. B.E. Gawali Former Principal of our college and the Chief Guest Dr. S. L. Laware the principal of our College.

In this function prize distribution for Science Exhibition was arranged by auspicious hands of Chief Guest. In which Sanap Dipti Rajendra got First prize, Bachkar and Shelke got second prize while Patare Tushar got Third Prize and some other students got certificates for the same. Prof. B.L. Shinde worked as examiner for the exhibition.

In his speech Dr. S. L. Laware suggested to see big dreams in our life and try fulfilling it. He also shared his own life experience with students. Also commented on how one can become the researcher.

Finally Dr. B.E. gave his presidential address

In presidential address Dr. B.E. Gawali guided our students. He said that we must involve totally in every activity and also every type of research will help to develop them. For this function about 75 students were present.

In the last session Prof. Vishal Pawar has express vote of thanks.
