Report of Session on Problem solving and ideation

A webinar on the topic “Problem solving and ideation” under IIC of the college was organized on 21st January 2021 for the faculty and the students. Smt. Savita Rajiv, Founder of Spring Innovation, Mumbai, graced this occasion as the key note speaker. She guided the students on the topic “Nature and Progress”

She explained the ways how to find remedies on everyday problems and the ways to generate employment through it. She narrated short stories of successful to successful startup founders through the business of plastic bottles, plastic wrappers and cigarette’ butts. Her talk centered on the destruction of nature on the name ‘human progress’ as well as the possibilities of progress in union with nature. She encouraged students to reflect on these issues.

Dr. S.B. choudhare coordinated the webinar. Principal Dr. Shankar Laware guided for the smooth organization of the activity. Prof. Liyakat Sayaid proposed the vote of thanks.

Outcome & benefit

1. Nothing is wasteful. It improved the vision of the participants towards the reuse of the waste and looking at it as matter of opportunities
2. It developed confidence among students through the discussion on the positive features of reuse.
3. The talk increased the understanding of students on the correlation between nature and progress.
4. Students narrated their own experience on the reuse of waste material through this live session. The encouragement shall enhance their future course of action.
