

REPORT OF ONE DAY WORKSHOP ON ENTREPRENEURSHIP AND OPPORTUNITY

Venue: Conference Hall, Vidnyan Bhavan

Date: 4th September 2019

Introduction : One day workshop on ' Entrepreneurship and Innovation as Career Opportunity' was conducted to imbibe and inculcate the values of entrepreneurship and innovation as career opportunity among the interested students and faculty members as well.

Details of Activity : One day workshop on ' Entrepreneurship and Innovation as Career Opportunity' was organised on 4th September 2019 at Conference Hall, Vidnyan Bhavan. Principal Dr. S.L.Laware and Dr.S.P.Khedkar were the resource persons.

Prin.Dr. S.L.Laware dealt with the concept of 'Entrepreneurship' and the essential features of entrepreneurship . In the era of liberalisation, privatisation and globalisation (LPG), entrepreneurship among the students is very important in the modern world of technology and ecommerce .As a result, there is so much scope in the field of entrepreneurship. And we should uphold the values of innovation as career opportunity . Our curiosity leads us to innovation. According to Former president A.P.J. Abdul Kalam, Innovation is a culture of excellence .We should look at innovation and entrepreneurship as a hobby. Students ideation for startup and innovation should be original and self-generated .Dr. Laware stressed the need that students should come up with new ideas and start-ups.

Dr.S.P.Khedkar stressed on the culture of research and innovation. It definitely leads an individual and society on the path of success .Innovation is the cause of welfare of individual and society as well. Besides pursuing academic studies, students should pursue the entrepreneurship and innovation .

05 faculty members and 17 students actively participated in the workshop. Dr.M.G.Varpe proposed vote of thanks.
