ACA – R - 16	Guest Lecture by Dr. Ramphal Sharma, Department of Physics, Dr. Babasaheb Ambedkar Marathwada University,	Academic Year: 2018-19
Rev : 00		Annual/Semester: I / II
Date: 15.06.2018		

Ref: MES/ACSC/ACA/ /

Date: 07/03/2019

a) Introduction – We are running special Physics as a special subject at T.Y.B.Sc. level. Student should get deep knowledge in the subject of physics. Department is organizing different events for TYBSC students. A guest lecture of eminent person Dr. Ramphal Sharma, Department of Physics was organized on 07/03/2019.

b) Description of event- Guest lecture is delivered by Dr. Ramphal Sharma at 10 am on 07/03/2019 in the department of physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The subject was recent developments in Material science. Total 09 students of TYBSc physics were present. No any funding.

c) Outcome – Students got knowledge about 1. Recent developments in material science, 2. Research fields in material science, 3. Currier opportunities in different fields of physics

B) Table Format :

Sr.No.	Date	Time / Duration	Name of Activity	Name of Coordinator	Speakers / Experts				No. of Participants			
									Teacher		Students	
					Name	Designation	Contact No	Institute	Male	Female	Male	Female
1	07/03/2019	10 am	Guest lecture	Dr. Sadekar H.K.	Dr. Ramphal Sharma	Professor,	942293173	Department of physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad	01	01	04	05
