International Women Day

Date: 08/03/2021

Venue: A.C.S. College Sonai

International Women Day was organized in Arts, Commerce Science College, Sonai on 8th March 2021 under the joint collaboration of Vidyarthini Manch, N.S.S and Students Development Board. The theme the program was “Women Leadership: COVID-19, World of Common future esought”. The day was celebrated by following social distancing, wearing masks and by using sanitizers under the backdrop of COVIOD-19. The lecture was arranged on the topic ‘Women's Responsibility and Health Care in COVID-19 situation’. The women experienced difficult plight while staying at home. It was the right time to review their health mental health. Dr. Babasaheb Shirsath and Dr. Mrs. Rajani Shirsath presided over the function. The Key note address was given by Mrs. Indumati khandagale, teacher and author in Sant Eknath Maharaj High school Lohgaon. Mr. Ramchandra Karpe, API Police Station gave special guidance on the occasion.

Mrs. Indumati Khandagale elaborated on Indian food system and on Ayurved Continued to talk on the changes in thinking about cleanliness and trying time for women. The health of women was ignored by the family. She also pointed out the importance of extracts, exercise, pranayam and yoga in health. We should accept the masks without any regret, it shall improve the beauty of everyone she also talks on the people who gather without wearing mask in different ceremony like Wedding engagement and Dashkriyarites and create complications. The situation helped the parents as boonin lowering down the expenses of Weddings.

Mr. Karpe elaborated on rights to women of fered in the constitution. He also explained how much is it important to know POCSO Act, and talked on Man – woman equality. Child marriages are deadly for the society, it imposes early motherhood on girls.

He appealed the participants to prohibit such marriages taking place in surrounding

and continued to appeal to take care of health and ensure Atmanirbhar bhārata (fearlessness)

Prin. Dr. Shankar Laware said that women have to face many problems. Women should be adored everyday as she has to perform different roles every day. She gives a lot of time for the society but the time given is never valued. If it is done, she would become superior in walks of life. Women should keep the record of the same. Vice Principal Dr. Dnyandeo Zine greeted everybody on the occasion of Women's Day.

Program Officer Prof. Balasaheb Khedkar introduced the program. Miss. Shweta Take and Miss. Akanksha Pawar anchored the activity. Miss. Varsha Pathe proposed the vote of thanks. Asha Sevika and women employee who observed their duties during Corona period as in the Special COVID Warrior were honored in the programme women with reputation were honored. Miss. Savita Jadhav who was selected in Indian Infantry was also appreciated in the programme.

Total 62 girls and 20 faculties voluntarily participated in the activity.

NSS Special Winter Camp at Dhangarwadi

Venue: Dhangarwadi Village

Date: 01 Feb. to 08 Feb. 2022

Special Winter Camp of National Service Scheme for the academic year 2021-22 jointly organized by Mula Education Society's Arts Commerce and Science College Sonai and Pharmacy College Sonai at Dhangarwadi Tal-Newasa. The main Theme of 'My Earth and Water Resources Conservation' was taken up from 01 February 2022 to 08 February 2022. The camp was inaugurated on Tuesday, February 1, 2022 by Dr. Machhindra Fasle Principal Abasaheb Kakade Arts College Bodhegaon. On this occasion, the joint secretary of Mula Education Society, Dr. Dr. Vinayak Deshmukh, Prin. Dr. Shankar Lavare, Vice-Principal, College of Pharmacy, Dr. Vilas Ghavate, Sarpanch of Dhangarwadi village Shri. Sunil Virkar, Zilla Parishad Primary School Headmaster Shri. Devram Dhamne, Trustee of Mula Education Society Shri. Uday Palve, Daily Sakal journalist Shri. Vinayak Darandale etc. were present on the occasion.

On the first day, in the afternoon session, the head of the History department, Dr. Sambhaji Darade conducted a history writing workshop for the students in which he gave detailed guidance on how to write the history of a village. Ravindra Khandare gave detailed guidance to the youth on how to maintain their physical fitness.

On Wednesday 2nd February 2022, the students took a morning walk from the village to raise awareness about Kovid-19 and cleaned the Zilla Parishad school premises. In the afternoon session, Dr. Jagdish Sonawane, while lecturing on the contribution of Newasa taluka in the Indian National Movement, guided the students on ancient, medieval and modern history. Also Dr. Shaukat Fakir gave detailed guidance to the students on how to succeed in various competitive examinations.

On Thursday, February 3, 2022, with the help of a professor from the College of Pharmacology, the students organized a camp for the villagers to check their blood sugar, hemoglobin and blood group, so that almost a hundred villagers participated. In the afternoon session, Mrs. Indumati Khandagale co-teacher Sant Eknath Vidyalaya Lohgaon guided the students on women empowerment. In it, she said that women have never been weak, so she clarified her point by giving various examples. Also the head of the chemistry department Pvt. Balasaheb Shinde guided the students on how to meditate and Prajapita Brahmakumari Ishwari University.

On Friday 04th February 2022, in Shramdana, the students dug pits and planted trees in the Zilla Parishad school premises. In the afternoon session, Dr. Hari More Principal Krishi Mahavidyalaya Sonai explained to the students the various aspects of personality in how to develop holistic personality. Also, Dr. Revannath Pawar enlightened the people that in the highway of happy life, a person who can calculate his time and do his work honestly will be happy in life

On Saturday 05 February 2022, the students cleaned the premises in front of Zilla Parishad Primary School and planted trees at the hands of village Sarpanch Sunil Virkar and also visited the lake at Dhangarwadi under water conservation and inspected it. In the afternoon session, Dr. Department of Botany. Vitthal Darandale guided the students on the importance of the National Service Plan as well as what we can do to protect the environment. Also Pvt. Amol Jadhav, Shri Dnyaneshwar Mahavidyalaya Newasa gave a lecture on Indian Culture and Today's Youth.

On Sunday 06 February 2022, the students of the camp guided the villagers by making poster presentations on various topics such as medicinal plants, water pollution, air pollution, agriculture and soil pollution. Chaitali Kshirsagar gave guidance on environmental pollution and its remedies. Also Dr. Department of Geography. Siddharth Ranayevale gave detailed guidance on how to protect oneself with a demonstration of karate.

The camp ended on. It was done on 08th February at 10.00 am. On the concluding occasion, a member of the College Development Committee of Mula Education Society, Dr. Babasaheb Shirsath was in the chair. During the program, Sarpanch of Dhargarwadi village Shri. Sunil Virkar While praising the various works done in the village, He felicitated all the Program Officers. The Prin. Dr. Dr. Shankar Laware, Vice- Principal, College of Pharmacy, Sonai. Vilas Ghawate, journalist Belhekar as well as villagers were present in large numbers. Prof. Balasaheb Khedker introduced the programme. Prof. Kirshna Agle expressed vote of thanks.

Speech on VERMICOMPOST AS A BIOFERTILIZER

By –

Dr Dandawate R.R., Associate Professor

Arts, Commerce and Science College Sonai

Venue- Wanjarwadi Tal Newasa Dist. Ahmednagar Ms

Date : 15/02/2020 Time 11am

“Vermicomposting is a process in which the earthworms convert the organic waste into manure rich in high nutritional content.”

1. Introduction

Vermicomposting is the scientific method of making compost, by using earthworms. They are commonly found living in soil, feeding on biomass and excreting it in a digested form. Vermiculture means “worm-farming”. Earthworms feed on the organic waste materials and give out excreta in the form of “vermicasts” that are rich in nitrates and minerals such as phosphorus, magnesium, calcium and potassium. These are used as fertilizers and enhance soil quality.

2. Methods of Vermicompost

a..Bed Method: This is an easy method in which beds of organic matter are prepared.

b..Pit Method: In this method, the organic matter is collected in cemented pits. However, this method is not prominent as it involves problems of poor aeration and water logging.

3. Contains in Vermicompost :- It contains 1.6 per cent of Nitrogen., 0.7 per cent of Phosphorus 0.8 per cent of Potassium., 0.5 per cent of Calcium. 0.2 per cent of Magnesium., 175 ppm of Iron., 96.5 ppm of Manganese

3. Materials Required for Vermicompost

- Water.
- Cow dung.
- Thatch Roof.
- Soil or Sand.
- Gunny bags.
- Earthworms.

- Weed biomass
- A large bin (plastic or cemented tank).
- Dry straw and leaves collected from paddy fields.
- Biodegradable wastes collected from fields and kitchen

4. Important Species of Earthworm :- Eudrilus eugeniae, and Eisenia fetida

5. Procedure

1. To prepare compost, either a plastic or a concrete tank can be used. The size of the tank depends upon the availability of raw materials.
2. Collect the biomass and place it under the sun for about 8-12 days. Now chop it to the required size using the cutter.
3. Prepare a cow dung slurry and sprinkle it on the heap for quick decomposition.
4. Add a layer (2 – 3 inch) of soil or sand at the bottom of the tank.
5. Now prepare fine bedding by adding partially decomposed cow dung, dried leaves and other biodegradable wastes collected from fields and kitchen. Distribute them evenly on the sand layer.
6. Continue adding both the chopped bio-waste and partially decomposed cow dung layer-wise into the tank up to a depth of 0.5-1.0 ft.
7. After adding all the bio-wastes, release the earthworm species over the mixture and cover the compost mixture with dry straw or gunny bags.
8. Sprinkle water on a regular basis to maintain the moisture content of the compost.
9. Cover the tank with a thatch roof to prevent the entry of ants, lizards, mouse, snakes, etc. and protect the compost from rainwater and direct sunshine. After the 24th day, around 4000 to 5000 new worms are introduced and the entire raw material is turned into the vermicompost

6. Advantages of Vermicomposting

1. Develops roots of the plants.
2. Improves the physical structure of the soil.
3. Vermicomposting increases the fertility and water-resistance of the soil.
4. Helps in germination, plant growth, and crop yield.

7. Benefit taken by farmer:- Shri Balasaheb baburao garje

Subject: REMINDER-2 - Submission of Utilization Certificate for UBA 2.0
To: Dr. Shankar Laxman Laware <slifergusson@gmail.com>

Dear Participating Institution,

Namaskar!

This is in continuation to our previous email regarding **Submission of Utilization Certificate for UBA 2.0**.

It is observed that some of the PIs are not following the guidelines and sending incomplete UCs. Please note that while preparing your UC and SOE, the given guidelines must be followed.

For Utilization Certificate (UC)

Do not modify Form GFR 12A. Use the original one only.

§ Fill the form completely. Do not leave any column blank.

§ Completely utilize the seed money of Rs. 50,000/-

§ Do not show any negative balance in UC (Col No. 7 at S.No. 4) as the over-expenditure will not be reimbursed, make it NIL. Additional fund can be utilized from your own resources.

For Statement of Expenditure (SOE)

§ Prepare a consolidated statement of your expenses in tabular form, on a separate sheet, for which you can make your own format.

§ Need not to send any type of account statement, ledger accounts, reports, photographs, videos, etc. with SOE, keep that with you for audit purpose.

§ The UC and SOE must be signed by the Competent Authority (Head of the institution/ Finance officer/ Registrar) with their respective stamps.

ü Write (manually) the Name & AISHE Code of your Institution on the top of the UC & SOE form.

ü Scan & compile UC & SOE in one PDF file format and send on unnatbharatabhiyanitd@gmail.com and cc to seemasatiuba@gmail.com with complete address.

ü It is compulsory for all the PIs to fill this Google form <https://forms.gle/fuxaygz5Rvgv2cny8> if already filled please ignore, need not fill again.

ü You are requested to submit the UC by 15th March 2020 POSITIVELY.

In case of any query, help, and guidance, please contact Ms. Manavee Ajit Singh, Project Scientist, Ph No. 6307955303.

Note:

F Please ignore the mail, who have not received the fund and who has already submitted the UC.

F The new 7th PI list who have got seed money in the month of February 2020 is not required to send their UC in this FY.

Reply-To: UBA Office <uba@unnatbharatabhiyan.com>

21 March 2020 at 20:03

To: "Dr. Shankar Laxman Laware" <slifergusson@gmail.com>

Dear all,

As per the current scenario of closing of activities due to the Covid 19 virus, the date of UC submission is extended to 30th June 2020. This extension is provided so that unspent money can get utilized as per UBA fund Guidelines. After going through the submitted UC by some PIs. It is observed that some of the PIs have not utilized the funds as per the norms. **It has also been observed that some PIs have not uploaded village and household data on the website under your PI login, in such condition the UC will get rejected as it is only given for survey and rapport building with the villagers.** For more clarification, It is again clarified that the activities be completed as per UBA guidelines and norms in time and UC be submitted by June 2020. You have to fully utilize your seed money and then only submit the UC.

This mail also contains a list of PIs who have got the fund for seed money, If you don't find your name in the list please fill the below form and submit and then the account section will reach you. **This form link is compulsory to be filled by all the PIs and RCIs.** If already filled please ignore.

Link: <https://forms.gle/D2Qin7rkkj3wGAWe8>

In case of any emergency or query please contact Ms. Manavee Ajit Singh, Project Scientist, 011 26591157/ 06307955303. Calling time will be 9:30 AM to 5:00 PM, if not picked please leave a WhatsApp message stating your problem.

Important Points to Utilize the funds and UC submission:

1. The seed money is given to all who join as Participating Institute under UBA and this is only given one time. For more funds, you have to apply through technology proposal (SEG) under PI login Under the financial aid section and you can also go for convergence.
2. The seed money of Rs. 50000/- is only for the survey and repo building with the villagers. @ RS.10000/- per village.
3. The survey is required to be completed within 2 months after joining and data is to be uploaded within 3month and if not done please complete within this extension time positively, otherwise UC won't be accepted.
4. The village survey form is one for every village and the household survey form is not needed to be uploaded for household survey, you can go for random selection and according to the situation. the household survey forms uploaded should be around 25% of the houses but according to the situation, nearly 25% should cover all the sections of society.
5. The rapport building will contain all the activities such as awareness programs', competitions, camps, Gramsabhas, etc.
6. Contingency, consumable and travel are the heads to utilize seed money.
7. One cannot provide the salary but can give honorarium if required only up to A limit.
9. PIs can not create any capital asset from seed money Rs 50000.
10. Stationary, banner, logistic and travel are the main area to utilize the fund of seed money.
11. PIs should have a banner as per templates provided by NCI for all 5 villages and your institute /college to be put up permanently at important locations as well and this money is to be used from the seed money.
12. All are requested to follow the above norms and will have to submit UC accordingly.

Gmail Important information for all the Participating Institute and Regional Coordinating Institute under Unnat Bharat Abhiyan:

13. FAQs related to UC are also shared in the previous email and available on UBA Website
14. It is also required by all to upload Plan of action and GPDP for villages.
15. Upload your quarterly progress report on the website with a copy to your respective RCI, in case of not knowing your RCI, please write to us.
16. UC has a format attached but SOE does not have a format, you have to just make it in table form and combine the PDF.

NOTE:

1. The Website is updated with all the FAQs related to all the issues on the home page.
2. The Tech4seva tab is to write specific problems incurred at the grassroots level, the problems you are not able to resolve and is in requirement of technology to solve the local need.
3. All the documents, formats, templates and forms are now available on the website.
