12) Workshop Conducted

Workshop on Soil and Water Analysis

Under DBT Star College Scheme the Department of Chemistry has organized Two days Workshop on Soil and Water Analysis for S.Y./T.Y.B.Sc. students during 25/03/2021 to 26/03/2021, coordinated by Prof. M.S. Jangale. Total students participated were 40.

Day-1, Online lecture was conducted by Dr. R.M. Naval (Head, Department of Chemistry, Jijamata Science and Arts College Bhende.) He gave online lecture on soil testing and its importance using Google Meet platform. During lecture they explained types of Soil their testing method and its importance through presentation.

Day- 1 Session – I - was conducted by Prof. B.L. Shinde in this session they given demonstration on soil testing methods using soil and water analysis kit in the laboratory.

Day- Session – II – In this session hands on training given to the students. During this session Prof. S.A. Najan given hands on training on pH determination of soil sample. The Prof. M.S. Jangale given hands on training on EC and TDS determination of soil sample and Prof. Y.B. Salve given hands on training on Organic matter determination of soil sample.

Day-2 Online lecture was conducted by Dr. B.K. Uphade (Associate Professor, Department of Chemistry, PVP College Loni.) He gave online lecture on water testing and its importance using Google Meet platform. During lecture they explained types of water their testing method and its importance through presentation.

Day- 2 Session – I - was conducted by Prof. V.R. Phatake in this session they given demonstration on Water testing methods such as pH, TDS, EC determination.

Day- 2 Session –II – In this session hands on training given to the students. During this session Prof. S.A. Najan given hands on training on pH determination of water sample. The Prof. M.S. Jangale given hands on training on EC and TDS determination of water sample and Prof. Y.B. Salve given hands on training on turbidity determination of soil sample.

12) Invited Lectures

Under DBT Star College Scheme the Department of Chemistry has organized special lectures for undergraduate students on 26/03/2021 and 27/03/2021, coordinated by Prof. M.S. Jangale. Total students participated were 54.

On 26th March 2021 Online lecture was delivered by Dr. D.R. Thube (Head, Department of Chemistry, New Arts, Commerce and Science College Parner, Ahmednagar.) He gave online lecture on Lab Safety in Chemistry Laboratories using Google Meet platform. During his lecture they explained what safety measures should taken during working in chemistry laboratory, safety symbols and their meaning, though presentation.

On 27th March 2021 Online lecture was delivered by Dr. R.S. Thombal (Research Associate, School of Chemical Engineering, Yeungnam University, Gyeongsan 38541, Republic of Korea) He gave online lecture on Career Opportunities in Chemistry using Google Meet platform. During his lecture they explained there is various opportunities

In the year 2020-21, Remedial coaching was organized by the Department of Mathematics for the academically underdeveloped, slow learner students. Re-teaching classes were conducted for the students of F.Y B .Sc Total 32 students from F.Y out of 10 students benefited from remedial coaching and they took advantage. Subject wise class examinations were conducted from the beginning of the first session of the student admitted in Calculus class. From this, students who need special and more guidance were identified. Supplementary notes for this student were also made available online. For this, Whats App group etc were used.

Under Remedial Coaching, emphasis was laid on class examinations, group discussions, questions and answers, lesson presentation etc. with extra lectures on behalf of Mathematics which had a good effect on the results of Calculus & subject understanding.

The result of F.Y for subject Calculus 08-was 90%. From time to time, the Head of the department discussed with the subject teachers on remedial teaching methods, teaching subjects, examinations and assessments. This is recorded in the meeting register of the department. Documents related to these classes are available in the Department.
