*Vidyarthini Manch*

## **Organized Lecture on “Gender Equality and Sensitivity”**

On 1st January 2018 at 10.40 am. **Lectures on Gender Equality and Sensitivity** were organized for students of all disciplines under the initiative of Vidyarthini Manch at the College Seminar Hall. The keynote speaker for this event was Dr. Nirmala Jadhav, Professor, Tarabai Shinde Center for Women's Studies, Dr. Babasaheb Ambedkar Marathwada University was present. The principal of the college Dr. Shankar Lavare was the president of the program. Also, Dr. Dnyandev Zine, academic in-charge of the college, and this year's Academic President and Assistant professor of Geography, Shri. Shaukat Fakir had a special present on this occasion. While introducing the program, Dr. Shweta Choudhare mentioned that today gender equality is only on paper or in speeches, but not in reality. For this, there is a need for awareness in the society and first of all, it is possible to change the mentality of the student. Dr. Nirmala Jadhav was the first to explain the concepts of gender and sexism and gave many examples of gender differences in the process of socialization. He denounced the patriarchal system of social order as an obstacle to gender equality. Dr. Dnyandev Zine discussed this issue from the point of view of the economy. According to Dr. Shankar Lavare, the rites of human expression that are accepted without examination are more responsible for gender equality. The egoism of racism led to the sublimation of masculinity, which he said was a deliberate attempt to alienate society from sexual sensitivities by raising religious barriers.

At the end of the program, Prof. Shaukat Fakir expressed his gratitude. The program report was written by Miss. Rani Bule. While the hosting by Miss. Dhanashree Tarde. Professor Dr. Nivrutti Mishal, Shri. Shivajirao Dhonkane, Shri. Amol Dahatonde, Shri. Dhanesh Mane, Mrs. Meena Lande, Mrs. Vandana Todmal, Mrs. Manisha Zine was present.

Date: 22 Feb 2019

Training workshop on ordinance against sexual harassment was organized on 20<sup>th</sup> Feb. 2019 for the girl students in the district jointly by student development board of the college, committee against sexual harassment and Savitribai Phule Pune University, Pune. Social activist of Aurangabad Smt. Mangal khiwansara graced this occasion as chief guest and resource person along with journalists, the speaker from *Shevgaon* Prof. Lahuji Jaybhay, activist of superstition eradication committee, adv. Sunil Gadakh, president of Sonai Notary club. Smt. Kalpana Chavan, Police Sub-Inspector and chief of DILASA cell and Damini squad.

Vice Principal Dr. Ashok Tuwar, Head Student Development reviewed the progress of the college and welcomed the dignitaries. He also reported the activities carried out with its objectives. Rural students are at the center of the educational system of the college and MES. the administration of the college is committed to availing maximum benefits to girl students. Sex education is also important at the stage when the problems of students are aggravating.

The theme of the program was introduced by Prof. Dr. Shweta Choudhare, coordinator Committee against sexual harassment and convener of this program. Sex education is the need of the hour. Parents oppose girls' education and there remains narrow-mindedness about the same. Dr. Choudhare also gave examples regarding the insecurity of women outside and inside of the home. Constitution has settled the right of equality to men and women. However, in a male-dominated society sexual harassment of women can be prosecuted under laws. Girls students in colleges do not realize that they become victims of harassment. In such conditions, they must know the laws of sexual harassment. The working system of the committee against sexual harassment was explained.

At the beginning of her speech Smt. Khiwansara saluted the social workers due to whose works women in India are enjoying rights and freedom. Women are assaulted knowingly and unknowingly in society. Married and unmarried women fall prey to such sexual harassment. Smt. Khiwansara proposed very firmly that experiences at offices and other places may appear very common; however, they may aggravate the harassment. She also attracted attention towards the fact that comments inflicted on dresses, jewelry, and living come under the view of the law. She also hinted at the events affecting the psyche of women. The girls should not only express themselves to prohibit the harassment but also take care not to make it excessive freedom.

Prof. Lahuji appealed to the participants to think over the background of such crimes and the horrible consequences before knowing the ordinance against sexual harassment. According to him, the crime first happens in the mind and later in reality. Hence the women shall have to be empowered at the level of mind first to prohibit sexual exploitation. He also told stores on laws against Sexual harassment, the stores called *Vishakha* Guidelines. Adv. Sunil Gadakh informed about laws and clauses prohibiting sexual harassment and punishment. He also explained how staring at girls, following them, and using words with double meaning can attract legal action.

Smt. Kalpana Chauhan, Sub-Inspector, Ahmednagar, and Chief of *Damini* squad and DILASA cell explained the working system of it. She also reported about the case of such crimes

History inspires a change of the mindset this motivation leads to thoughtful action that is why thoughts of served by fully is inspiring for us Swami Vivekananda went beyond the concept of men-women and they introduce them as a relationship on the basis of emotion. On the other hand Savitribai Phule introduces his relationship in terms of equality. Savitribai's thoughts and vision were clear about who to work for and what purpose that clarity is needed today. Dr. Gaikwad said when we shall understand the difference between freedom and uncontrolled freedom, than we shall no more used the concepts of men-women freedom. Savitribai flourished Mahatma Phule's ideological world. However, when talking about woman emancipation or gender equality we should remember Savitribai's thoughts as well as Mukta Salve, Tarabai Shinde and Fatima Sheikh thoughts and also think where they have gone. The first British education did not mention girls' education. About girl's education, medieval feudal thoughts slept the society by Savitribai and encouraged girls to take education. By reading Savitribai's Literature we know she was the best Sanskrit scholar, translator. According to Dr. Gaikwad she's a poet who is representing modern age. Dr. Dinker Murkute reviewed MukundRao Patil and his work for gender equality. He analyzed Mukundrao Patil & his Satya Shodhak thoughts. Mukundrao Patil wrote many articles in 'Dinmitra' and 'Dinbandhu' newspaper. He had an ideological confrontation with the orthodox people. He used his writing for the Bahujan samaj and women's upliftment. Due to his actions like 'Kulkarnililamrut' British government took back kulkarni's inheritance and appointed officer instead Mukundrao Patil who was a pioneer in the Non-Brahahmin movement, was emotional but decided no compromise with the rules. He classified his views on World War II, while on the other hand insisted on providing modern machinery and loans for upliftment of poor. He insisted on availing loans to farmers. He wrote a book 'Chankdraloki chi Vilaskshan Rudhi' for problems of women.

Smt. Varsha Bade while interacting with the student's highlighted the gender in equality that is inadvertaulty inculcated in films and daily series. She said that the dowry creates tension in the minds of parents and was fatal to the society. He explained the belief that effective implementation of inheritance rights and share in wealth would help women to stand on their own feet. Gender in the society is intentional and the patriarchal mentality refuses to accept equality.
