**Title of the event: - National Energy Conservation Day Celebration 2022-23.**

**A) Descriptive Report:**

a) **Introduction** –World energy conservation day 2022 is celebrated on 14<sup>th</sup> December every year. It focuses on making people aware of global warming and climate change and promoting efforts towards saving energy conversion resources. With a growing population the requirement of energy resources is also increasing. Energy conservation is an effort made to reduce the consumption of fuel and use the least energy resources to save for the future.

b) **Description of event-** On 14<sup>th</sup> Dec 2022 National Energy Conservation Day was organized by Mula Education Society's Arts Commerce and Science College, Sonai to raise understanding and awareness of Energy Conservation among society.

The programme was organized by Co-ordinator Mr. Sayyad L.R. and resource persons are Mr. Pratik Sarode (Asst. engineer M.S.E.B. Sonai Section) and Dr. Sadekar H.K., HOD, Department of Physics, Mula education Society's Arts, Commerce and Science College, Sonai. Resources person guided to students and staff about conservation of energy. Principal, Dr. S. L. Laware also given information to our students and staff about Energy Conservation.

**c) Aims and Objectives –**

1. To create awareness among students and staff to use less energy rather than excessive and extravagant energy.
2. To encourage students and all faculties to reduce energy consumption and use it efficiently.
