

## Supporting Documents for Metric No. 7.2.1

7.2.1 Describe two best practices successfully implemented by the institution as per NAAC format provided in the manual.

### Best Practice-I:

#### 1. Title of the practice- Green Initiative

#### 2. Objectives of the Practice:

- To help students to understand various ecological issues.
- To conduct various programs in the college.
- To discuss on Climate change and Heat Budget
- Role of Moral values in the positive change.
- To nurture Environment future.
- To celebrate National Days of Importance

The initiative primarily aims to bring about awareness among students and stakeholders on their role in building healthier partnership towards green initiative and broadening understanding on hot button issues such as environmental crisis, water sustainability and green house effect and keeping campus pollution free.

**3. The Context:** The ecological imbalance is a pertaining issue; it is being discussed at alarming level by various agencies. Understanding our responsibility in the changing scenario we took up some issues. To do so a committee has been formed that take care smooth functioning of the mechanism. It shares its vision through preplanned programs and looks into execution of aims and objectives. For the best, feedback is obtained and report writing is done. The forum conduct programs on awareness, public campaign, projects, seminars, workshops, training, and capacity building programs.

**4. The Practice:** the college organized four major events under this activity. The first program was conducted with the cooperation of Institutions innovation Council entitled, 'International Day for Biodiversity' on 22 May 2023. It's mainly focused on broadening understanding of the various stakeholders on various issues of biodiversity. The Forty students along with seven faculty members made the even a grand success. Principal Laware, (Innovation Ambassador) shared valuable ideas during the program and emphasized plantation meant a lot in terms of growth of animals and microorganism and coexistence of genetically different species. The outcome was positive; the event was reported on what's up group; face book, and college website. On 24<sup>th</sup> April 2023 the World Earth Day was celebrated with the sole title 'Climate Change and Heat Budget.' Dr Namdeo Ghule, Dept of Geography, Arts Commerce and Science College Sonai addressed student on the event and highlighted the changing life style and its negative impact on climate. And showed how it is the moral

responsibility of everyone to protect the legacy we have got. The 'National Day' too was celebrated on 28 Feb 2023 keeping in view the contribution of C.V.Raman towards the growth of scientific temperament. The event was chaired by Dr Haribhau Kardile who gave message on the important role of science in the welfare of mankind. The college also celebrated 'World Environment Day' on 5<sup>th</sup> June 2023 along with Shaneshwar Secondary & Higher Secondary School and 17 Maharashtra Battalion NCC Colonel Chetan Gurubaksh. The college premise was cleaned. A poster exhibition too was organized in the college campus. The students were given an oath of their integrity and binding to continue the same spirit for the conservation of the nature. The NSS dept organized a program 'Awareness on Environment and Cleanliness Week' from 7/6/2023 to 13/ 6/2023. During the program the chief resource person, Dr. Pardeshi Ravindrasigh enlightened students on the need of balanced environment and what is our role for its maintenance for happier life. Under 'PUNEETSAGAR ABHIYAN', the college jointly organized ' Mazi Vasurdhara Abiyan' on 5<sup>th</sup> Dec 2022 with Sonai Grampanchayat. During it local temple premises and Dahwas Otta were cleaned. Fifty (Total 50) students participated in the activity.

**5. Evidence of Success:** It may be understood through the number of students mentioned above. The activity report was circulated on social media.

#### **6. Problem Encountered and Resource Required:**

- Availability of limited time for organizing the event outside the campus
- The college has made available its own funds.

#### **Best Practice II:**

##### **1. Title of the Best Practice:- I am an Entrepreneur**

##### **2. Goals:**

- To motivate students to start their own start-ups
- To provide all required information like innovation, intellectual property rights, company registration, market research, funding, and procedures required for starting their own businesses through organizing lectures and events.

**3. The Context:** It is observed that the UG and PG students have hardly any exposure about starting their own businesses. The college has established Institution's Innovation Council and Yash Business Incubation Centre to enhance required skills. The platform provides orientation and possible help to students to acquire Entrepreneurial skills, the abilities and traits that enable

an individual to identify and pursue business opportunities. The major six skills are Finance Skills, Networking, Marketing, Leadership, and Problem-Solving & Innovation. To help them to achieve their goals the following programs were conducted.

4. **The Practice:** To fulfill the goal, the college organized following 14 activities in the academic year 2022-2023. The total numbers of students got benefit are 1,144. The activities were designed as per the need of the students that emphasized number of sessions on interaction with experts, celebration of Indian start up Day, Session on investment in stock exchange, funding Opportunity for Early Stage Entrepreneurs, Motivational Session by Women Entrepreneur, two Day Workshop on Planning for Startups –Legal Compliances and Ethical Issues and poster presentation and Ideation Competition.
5. **Evidence of Success:** The success of the practice is evidenced by:
  - Appreciation of the students by the parents and other stakeholders.
  - Students availed the opportunity of the activity.
  - The Daily Newspapers; Daily Sakal and Daily Pudhari took note of the innovative activities.
6. **Problems Encountered and Resources Required:**
  - Shortage of funds limiting the scope of projects.
  - The institution finds it difficult to cope with the overwhelming demand from students due to its limited facilities.
