| ACA – R - 16     | <b>Guest Lecture on Future Scope and<br/>Job Opportunities in B.Sc. Physics<br/>2022-23 Report</b> | Academic Year: 2022-23 |
| Rev : 00         |  | Annual/Semester: II    |
| Date: 15/06/2018 |  | Date- 17/05/2023       |

**Event Name:- Guest Lecture on Future Scope and Job Opportunities in B.Sc. Physics**

**A) Descriptive Report:**

a) **Introduction** –After completing B.Sc. physics there is question arrived in students mind, What are the future opportunities, scope in which field, how to make successful career, etc., then students need directional guidance. We will guide or motivate students by many methods. In this program informed the students by organizing guest lecture on respective topic.

b) **Description of event-** On 17<sup>th</sup> May 2023 Guest Lecture on Future Scope and Job Opportunities in B.Sc. Physics was organized by Mula Education Society’s Arts Commerce and Science College, Sonai to introduced the best career paths in physics.

The programme was organized by Co-ordinator Dr.Sadekar H.K. and resource persons are Dr. Ramdas Arle (Associate Professor, Department of Physics, Jijamata College of Science & Arts, Bhende). Resources person guided to F. Y. B. Sc. students about many career options/ opportunities open for after completing B. Sc. Physics.

**c) Aims and Objectives –**

1. To explore the course in detail in order to actual use of knowledge in various fields.
2. Introduce a list of career options available to candidates after B. Sc. in physics.

**A) Table Format:**

| Sr. No | Date       | Time / Duration | Name of Activity   | Name of Coordinator | Speakers / Experts |                     |   | No. of participant |        |

**Important Notes**

1. If any student name is missing in registered student list, then please ask student to register on PHD tracking system and fill the admission details and admission should be confirmed by research center.
2. If name of the student is appearing multiple times then check in manually added student list and remove student name.
3. If the student admission is not confirmed by RR then you can add manual entries.
4. If any student awarded Ph.D. , then please email a copy of declaration in PDF format and file size should be within 1 MB

### Subject : Recognition as a Post Graduate Teacher & Ph.D. Research Guide

Sir,

Please refer to your application for Recognition as a Post Graduate Teacher & Ph.D. Research Guide of Savitribai Phule Pune University, I am directed to inform you that the University authorities have been pleased to recognize you as a Post Graduate Teacher & Ph.D. Research Guide of this University under the provision of Section 37(1)(e) of the Maharashtra Public Universities Act, 2016.

#### *The details of your recognition are as under :*

1. Your recognition as a **Post- Graduate Teacher (by Papers)** under the faculty of **Humanities** in the subject of **Economics** with effect from **23-12-2019** to till your age of superannuation or you are ceased to be in service of the Affiliated College/ Recognized Institute / Research Institute from where you had applied for the recognition as a Post Graduate Teacher.
2. You have been recognized to guide **Ph. D.** Scholars under the faculty of **Humanities** in the subject of **Economics** for the period from **23-12-2019** to **11-09-2025** with following particulars:
  - i) Three (3) M.Phil. and Eight (8) Ph. D. Scholars, if you are a Professor.
  - ii) Two (2) M. Phil. and Six (6) Ph. D. Scholars, if you are an Associate Professor.
  - iii) One (1) M. Phil. and Four (4) Ph.D. Scholars, if you are an Assistant Professor.

Your **guideship** is subject to the following conditions and other terms and conditions prescribed by the University and University Grants Commission, (UGC) New Delhi from time to time in this behalf:

- i) M.Phil/Ph.D. Research Guideship will be governed by the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil/Ph.D. Degree) Regulations 2016.
- ii) a) If the affiliation/Recognition granted by the university to your College/Institute gets over then the recognition granted to you will be treated as cancelled from the date on which the period of affiliation/recognition gets over.  
b) In case of Research Institute, it should be recognized by the University for the subject for which you are recognized as M.Phil/Ph.D. Research Guide.

Scanned with CamScanner

If the recognition granted by the University to your Research Institute gets over then your recognition as an M.Phil/Ph.D. Research Guide will be treated as cancelled from the date on which the recognition to your Research Institute gets over.

- iii) In case of those M.Phil/Ph.D. Guides whose length of service as a regular faculty is not more than two years, in such cases it is essential for them to take a Co-Guide whose length of service as a regular faculty should not be less than five years and the said Co-Guide should be approved M.Phil/Ph.D. Guide of Savitribai Phule Pune University.
- iv) No fresh M.Phil/Ph.D. 'Research Students' should be registered with M.Phil/Ph.D. Research Guides whose length of service as a regular faculty is not more than two years.

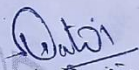

In addition to the above conditions, it is essential to mention the name of 'Savitribai Phule Pune University' in author's address in the Publications made by you and your students.

Recognition granted to you is always subject to the terms and conditions prescribed by the University and University Grants Commission, New Delhi from time to time, in this behalf.

If any correction in the recognition letter then please contact this office within fifteen days from the date of receipt of this letter.

Thanking you.

Yours Sincerely,

  
**Deputy Registrar

**Event Name:- 'Innovative Techniques in Restoration of Degraded Soil and Water Bodies' & Biodiversity walk for teachers 2022-23.**

**A) Descriptive Report:**

**a) Introduction** – 'Innovative Techniques in Restoration of Degraded Soil and Water Bodies' & Biodiversity walk for teachers 30<sup>th</sup> & 31<sup>th</sup> July 2022. Workshop was organized. It focuses on Soil restoration (SR) is the technique of enhancing compacted soils to improve their porosity and nutrient retention. It includes biological (worms and other soil organisms) and mechanical aeration, mechanical loosening (tilling), planting dense vegetation, and applying soil amendments. Soil and water conservation can be approached through agronomic and engineering procedures. Agronomic measures include contour farming, off season tillage, deep tillage, mulching and providing vegetative barriers on the contour.

**b) Description of event-** On 30<sup>th</sup> July 2022 'Innovative Techniques in Restoration of Degraded Soil and Water Bodies' Workshop was organized by Mula Education Society's Arts Commerce and Science College, Sonai . Dept of Botany .This Workshop was organize wiyh the collaboration of MAESA foundation , Pune . to raise understanding and awareness of 'Innovative Techniques in Restoration of Degraded Soil and Water Bodies'.

The programme was organized by Co-ordinator Dr.V.E.Darandale. and resource persons are Dr. Pramod Kambale, Asst. Professor, Department of Environmental Science, Savitribai Phule Pune University, Pune and Dr. Shankar Laware, Department of Botany, ACS College Sonai worked as resource persons for the workshop.. Resources person guided to students and staff about. Principal, Dr. S. L. Laware also given information to our students and staff about 'Innovative Techniques in Restoration of Degraded Soil and Water Bodies'.

**c) Aims and Objectives –**

1. The main objectives of soil and water conservation are to obtain the maximum sustained level of production from a given area of land by preventing soil degradation & environmental pollution.
2. To encourage students and all faculties to Restoration of Degraded Soil and Water Bodies'

**Event Name:- Volunteer Training Program on Environmental Education & Skills**

**A) Descriptive Report:**

a) **Introduction** – Environmental education does not advocate a particular viewpoint or course of action. Rather, environmental education teaches individuals how to weigh various sides of an issue through critical thinking and it enhances their own problem-solving and decision-making skills.

b) **Description of event-** Volunteer Training Program on “Environmental Education and Skills” was conducted on 3<sup>rd</sup> August 2022 at Arts, Commerce and Science College, Sonai. Miss. Chaitali Kshirsagar worked as expert for the training.

**c) Aims and Objectives –**

- 1) The primary aim of environmental education is to impart knowledge about the principles required for the conservation and utilization of natural resources for the existence of mankind.
- 2) Environmental education gives required knowledge and experience realizing the value of such important views.

**Event Name:- Three day volunteer Training On Communication Skills and Public Speaking For Effective Implementation of Projects and Awareness Campaign**

**A) Descriptive Report:**

a) **Introduction** – It is necessary to improve participants practical skills in designing and delivering effective public speeches and presentations. To acquire knowledge and practical information about public speaking communication techniques and learning styles, the training provides most important information.

**b) Description of event-** Three Day Volunteer Training on “Communication Skills and Public Speaking for Effective Implementation of Projects and Awareness Campaigns” was conducted from 13<sup>th</sup> August to 15<sup>th</sup> August at Arts, Commerce and Science College, Sonai. Dr. Shankar Laware and Chaitali Kshirsagar worked as experts for the training. Total 30 students participated in the training program.

**c) Aims and Objectives –**

1. To learn how to effectively structure and plan a speech or a presentation and how to listen and engage the audience.
2. To get personalised guidance and feedback on how to communicate more effectively.
3. Learn best practices and concrete tips related to delivering effective public speeches and presentation.

**Event Name:- Workshop on Global Warming Environmental Issue**

**A) Descriptive Report:**

a) **Introduction** – Environmental issues are disruptions in the usual function of ecosystem. Further, these issues can be caused by humans (human impact on the environment or they can be natural. These issues are considered serious when the ecosystem cannot recover in the present situation, and catastrophic if the ecosystem is projected to certainly collapse. Environmental protection is the practice of protecting the natural environment on the individual, organizational or governmental levels, for the benefit of both the environment and humans. Environmentalism is a social and environmental movement that addresses environmental issues through advocacy, legislation education, and activism.

b) **Description of event-** Workshop on Global Environmental Issues was conducted at Chaitali Kshirsagar August 2022 ACS College, Sonai. Director MAESA Foundation guided the participants on various topics and aspects related to environmental issues. Interactive session was held in this workshop. Total 120 students and 25 teaching staff participated in the workshop.

**c) Aims and Objectives –**

1. This workshop examines the main causes and impacts of climate change, and provides a deeper understanding of the current climate situation.
2. We focus on positive actions we can take – both as individuals and a community to combat climate change and call for climate action.

**Subject: Invitation for Jointly Organizing International Conference (With Collaboration).**

Respected Sir,

Your 2<sup>nd</sup> International Conference on Climate Change and its effect on Environment, Food and Society was held on 15-16 June 2022 and it was very successful due to your proper management, congratulations sir.

By taking benefits of your work experience our College wish to organize an International Conference entitled "Changing Perspective In Environment, Management, Humanities, Sciences & Technology", in the month May 2022 with your collaboration. The conference will held in online mode for two days. The registration fees will decide at the time of conference. The accepted research paper will publish in "Research Journey" (An International Peer Reviewed Journal). The full-length paper will publish in UGC journal (including Hard Copy and Postage). The abstract of presented paper will publish in conference proceeding with ISBN number. We are also planning to give appreciation award to special researcher by giving excellency award.

**Event Name:- Guest Lecture on Future Scope and Job Opportunities in B.Sc. Physics**

**A) Descriptive Report:**

a) **Introduction** –After completing B.Sc. physics there is question arrived in students mind, What are the future opportunities, scope in which field, how to make successful career, etc., then students need directional guidance. We will guide or motivate students by many methods. In this program informed the students by organizing guest lecture on respective topic.

b) **Description of event-** On 17<sup>th</sup> May 2023 Guest Lecture on Future Scope and Job Opportunities in B.Sc. Physics was organized by Mula Education Society's Arts Commerce and Science College, Sonai to introduced the best career paths in physics.

The programme was organized by Co-ordinator Dr.Sadekar H.K. and resource persons are Dr. Ramdas Arle (Associate Professor, Department of Physics, Jijamata College of Science & Arts, Bhende). Resources person guided to F. Y. B. Sc. students about many career options/ opportunities open for after completing B. Sc. Physics.

**c) Aims and Objectives –**

1. To explore the course in detail in order to actual use of knowledge in various fields.
2. Introduce a list of career options available to candidates after B. Sc. in physics.

**Special Lecture**

**‘Maharani Tarabai And Her Achievements’**

The Department of History has collaborated with Pragtik Itihas Sanstha, Aurangabad by signing MoU on 1<sup>st</sup> January, 2020. The Department conducts various activities every year with collaboration of Pragtik Itihas Sanstha, Aurangabad.

In this academic year 2022-23, the Department has organized a Special Lecture on ‘Maharani Tarabai and Her Achievements’ which is delivered by Dr Sambhaji Darade on 9th March, 2023. He explained the rise of Maharani Tarabai after the death of Rajaram and her achievements, especially her role in fighting with the Mughal invasion. He explained how Tarabai consolidated the Maratha force against the military advance of Aurangzeb. He focused on her ability to lead the force on the battle ground as well as of the ground. He elaborated the lecture very nicely and it was a wonderful feast to our students. We hope the students will be benefitted in understanding the achievements of Maharani Tarabai in the history of the Marathas.

65 students, of which 26 boys and 39 girls attended the lecture and listened the lecture enthusiastically. Prof. Dr Jagdish Sonawane, Dr Khedkar B. G. Dr Shweta Choudhare and Mr Dnyaneshwar Padar attended the event.

The Secretary

Mula Education Society, Sonai

**Subject:** For the Approval of MoU with MIT-CARS (Center for Analytical Research & Studies) Maharashtra Institute of Technology, Aurangabad

Respected Sir.

From the above given subject I request to look you for the approval of MoU for the training programme for B.Voc Food Processing Students. It is Hands-on training for food analyst in food testing laboratory for the students of food technology conducted by MIT-CARS (Center for Analytical Research & Studies), Maharashtra Institute of Technology, Aurangabad. It is a Research Laboratory with fully equipped analytical instruments required for all food related tests and analysis. The fees for the training are Rs. 10,000/- for a period of 1 month. but they will provide 50 % concession for our college students after MoU with the Institute.

I kindly request for the approval of the MoU.

Thanking You.

AIDwo

- We have established a VISHAKHA cell through our mother institute for addressing problems of lady employee/s.

## Accreditation & Recognition

Central Pollution Control Board  
New Delhi

## Accreditation

- ✓ ISO 9001:2015
- ✓ SAS 18001:2007
- ✓ NABL ISO/IEC 17025:2015
- ✓ NABL Approved Parameter List
- ✓ SSSDC Quality Assurance Check
- ✓ SSSC Quality Control Check
- ✓ ISO/IEC 17025:2017 Scientific and Industrial Research
- ✓ NAAC

## Recognition

- ✓ Central and water testing laboratory recognized for testing of water quality in Maharashtra

Recognised by Central Pollution Control Board, New Delhi

- ✓ CPCB gazette Notification For Government Analyst
- ✓ Corporate Member of Indian Society of Agricultural Chemists

Central Pollution Control Board  
New Delhi

**Training covers hands-on operations of following instruments in alignments of food analysis (Theory and practical, sample analysis)**

- pH meter
- TDS analyser
- Turbidity Analyser
- Weighing Balance
- Auto P. Titrator
- Microwave Digestion System
- Nitrogen Analyser
- Distillation Assembly
- Flame photometer
- Aquaspec Highly precise water analysis spectrophotometer system.
- UV-Vis Spectrophotometer
- Fibre Estimation System
- Fat Extraction System
- Texture Analyser

**Subject: -Invitation as a Resource Person ...**

Dear Sir,

We are pleased to invite you as a resource person for the guest lecturer at our college on 1<sup>st</sup> September 2022. Your expertise and knowledge in the area would add a great value to students, teachers as well as researchers.

Kindly make it convenient to remain present and guide on 1<sup>st</sup> September 2022 at 10.00 am.

We look forward to your presence and guidance.

Thanking You,

Yours,

  
Principal

Date-05/09/2022

**Guest Lecture**

By

**Mr. Nagesh Bramhanathkar**  
(Quality Manager)  
**MIT Aurangabad**

The guest lecture was organized at Arts, Commerce & Science College, Sonai, by Maharashtra Institute of Technology Aurangabad at MIT-Center for analytical research and studies on 1<sup>st</sup> September 2022. The memorandum of understanding between Mula Education Society Arts Commerce & Science College Sonai and MIT center for analytical research and studies Aurangabad was signed on 17<sup>th</sup> August 2021. Authorized signature was done by Dr. Shankar Laware (Principal) Arts Commerce & Science College Sonai and Dr. Deepak Bornare (Deputy Director) MIT center for analytical research and studies Aurangabad.

The guest lecture was conducted by MIT Aurangabad by Mr. Nagesh Bramhanathkar (Quality Manager). 43 Students from Department of B.Voc Food Processing from our college attend in the lecture.

MITCARS have well equipped laboratories for soil, water & food testing. The guest gave information and working of laboratory sophisticated instruments like HPLC, GCMS, ICP for detection of compounds in food. How the various food samples are analyzed for the detection of proteins; fats; fibers; carbohydrates; ash; vitamins; minerals; etc. Students learned working principles of various analytical instruments, calibration method.

The guest lecture was very helpful for the students of B.Voc Food Processing & they learned different analytical technique of food & water which is included in their syllabus.

### INDUSTRIAL VISIT REPORT

The industrial visit for the B.Voc students was organized on 23<sup>rd</sup> January 2023 at 'Mula Agro Food Products', a Dairy Industry located in Brahمني, Tal. Rahuri, Dist. Ahmednagar.

Supervised by Dr. R. R. Dandawate, Mr. Aniket Jadhav., Mr. Rathod Vilas, the visit included 21 students specializing in B.Voc, Food Processing. Mula Agro Food Products, widely known as Mauli Dairy, is a prominent supplier of various dairy products including Milk, Butter, Flavoured Milk, Toned Milk, Lassi, Paneer, Ice-Cream, Shrikhand, Pedha, Dahi, and Buttermilk across Maharashtra State.

The operational activities of the dairy plant encompass multiple stages such as processing, packaging, supply, and marketing. Raw milk is sourced daily from nearby villages and transported to Mauli Dairy using milk tankers.

Upon arrival, the raw milk undergoes quality checks before being transferred to large milk containers within the plant premises. These containers have a storage capacity ranging from 90,000 to 100,000 liters and are maintained at low temperatures. Depending on the product specifications, the milk is processed to manufacture various dairy products mentioned earlier.

Furthermore, the dairy plant houses a laboratory where milk samples are collected and analyzed for quality and adherence to specified standards. The majority of the milk sourced from villages, cities, and throughout Maharashtra undergoes pasteurization, homogenization, and is supplied in different packaging sizes, including 250ml, 500ml, and 1000ml. The fat percentage (%Fat) and Solid Not Fat (%SNF) are crucial parameters used to categorize milk types such as Toned milk, Double Toned milk, Standardized milk, Skim milk, and Recombined milk. Mr. Sonawane provided insights into fat determination, various milk adulteration tests, and acidity testing.

Liquid milk products are stored below 4°C, while solid products are stored at -18°C to extend their shelf life. Ice-Cream manufacturing, packaging, and storage are conducted in a separate unit within Mauli Dairy.

The visit provided students with an opportunity to observe and comprehend the diverse processes and techniques employed in the dairy plant. It also enhanced their understanding of product processing and marketing strategies.

MEMORANDUM OF UNDERSTANDING

Between

Singidunum University, Serbia

And

MES'S Arts, Commerce and Science College, Sonai, Tal. Newasa, Dist. Ahrnednagar, MS, India

Hereinafter collectively referred to as "Parties" or individually referred to as "Party",

**Preamble**

Parties agree on the importance and the usefulness of establishing educational, scientific and cultural links between the Parties and their countries.

This Memorandum of Understanding ('MoU') presents a general framework for the joint pursuit of the above mentioned goals.

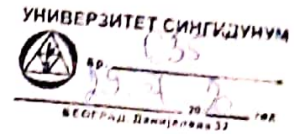

**1. Areas of cooperation :**

- a) The Project entitled ' A Comparative Study of Iliad and Mahabharata with Special Reference to its Tragic Heroes', shall be carried out by Professor Pavle Pavlovic, and other faculty of Singidunum University, Belgrade, Serbia with reference to Iliad and Dr. Sandip Prabhakar Khedkar, Assoc. Professor, and other faculty of Dept. of English and Research Centre, MES'S Arts, Commerce and Science College, Sonai, Tal. Newasa, Dist. Ahmednagar, MS, India with reference to Mahabharta.
- b) cooperation on academic programmes;
- c) development of joint research activities;
- d) student and staff exchanges or mutual visits to the institutions;
- e) exchange of information, including the results of teaching and research collaboration;
- f) any other activities viewed to be mutually beneficial.

The terms and conditions of each specific cooperation activity implemented under this MoU shall be mutually discussed and agreed upon in writing by the Parties prior to the initiation of the activity and will be the subject of an addendum to this MoU.

**2. Duration and renewal of MoU**

This MoU becomes effective from the day the representatives of the Parties affix their signatures below, and will continue for an initial period of three years, whereupon it shall be reviewed and may be

extended by a mutual written agreement of the Parties. This MoU may be amended by written consent of the Parties and may be terminated by either Party upon giving six months written notice.

**3. Use of names and logos**

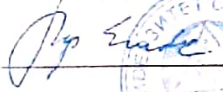

Any use of the names, programmes or logos of 'Singidunum University' or 'MES'S Arts, Commerce and Science College, Sonai, Tal. Newasa, Dist. Ahmednagar, MS, India', relating in any way to the activities described in this MoU, shall be subject to prior written approval.

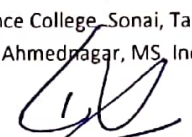

**4. Assignment**

This MoU shall be personal to the Parties hereto and no Party shall have the right to assign or transfer any right or obligation hereunder in whole or in part to any third party without prior written consent of other Parties.

**5. Dispute resolution**

If a problem or dispute arises between the Parties, they will first seek to resolve it between themselves to the best of their endeavors, and will use all efforts required to settle the problem or dispute by direct negotiation. If the problem or dispute cannot be resolved in this manner, the Parties may elect a third party by mutual consent, which shall examine the problem or dispute and provide recommendations. The Parties shall share equally all expenses incurred in appointing the third party. This MoU has been drawn up in English in four copies, with two versions being issued to each Party.

On January 13, 2023, teachers from the Arts, Commerce, and Science College, Sonai, participated in a comprehensive training session organized by the Shree Samarth College of Education & Research (B.Ed) College, Vidyanagar. The primary objective of this training was to enhance the participants' proficiency in "Black Board Writing Skill" - a fundamental aspect of effective classroom instruction.

The training session encompassed various components aimed at equipping teachers with the necessary knowledge and techniques to improve their blackboard writing skills. The program was structured to address the diverse needs of educators across different disciplines, including arts, commerce, and science. The "Black Board Writing Skill" training session hosted by the Shree Samarth College of Education & Research (B.Ed) College, Vidyanagar, provided an invaluable opportunity for teachers from the Arts, Commerce, and Science College, Sonai, to enhance their pedagogical skills. By equipping participants with effective techniques and strategies for blackboard writing, the session aimed to enrich the teaching-learning process and promote student engagement and comprehension in the classroom.
