**Report on Remedial Coaching**

The Department of Marathi has conducted a Remedial Coaching Program for the weaker students so as to come out of the academic weaknesses in the month of March 2021. The weaker students are identified from the result of Term End Examination conducted in the month of Feb.2021. They are provided a proper guidance and reading material to get rid of the difficulties in their study.

These students actively participated in the course and worked hard to understand the basic concepts of the respective topics. This resulted in the academic progress of these weaker students which is evidenced through the result of the test conducted after coaching.

**Remedial coaching report**

Academic Year: 2020-21

Semester :-I/II

Date: :1.07.2020

In the year 2020-21, Remedial coaching was organized by the B. Voc, Hospitality and Tourism for the academically underdeveloped, slow learner students. Re-teaching classes were conducted for the students of first year. Out of 16 students 6 students benefited from remedial coaching and they took advantage. Subject wise class examinations were conducted from the beginning of the first session of the student admitted in Hospitality and Tourism class.

From this, students who need special and more guidance were identified. Supplementary notes for this student were also made available online. For this, Google classroom, Vlogs and WhatsApp group etc. Were used. Under Remedial Coaching, emphasis was laid on class examinations, group discussions, questions and answers, lesson presentation etc. with extra lectures on behalf of B. Voc, Hospitality and Tourism Department. Which had a good effect on the results of Hospitality and Tourism subjects.

The result of First year Hospitality and Tourism special subjects was 100%. From time to time, the Nodal Officer of the department discussed with the subject teachers on remedial teaching methods, teaching subjects, examinations and assessments. This is recorded in the meeting register of the department. Documents related to these classes are available in the Department.
