

ACA – R-30	<b>SOFT SKILL DEVELOPMENT PROGRAMME</b>	Academic Year: 2021-22
Rev : 00		Semester: I
Date:15.06.2015		

Ref: MES/ACSC/ACA/01/2020

Date:11/01/2022

The ten days soft skill development programme was conducted for Arts, Commerce and Science faculty students during the period of **03/01/2022 to 08/01/2022** by considering the following aims and objectives:

- Develop effective communication skills
- Develop effective presentation skills.
- Become self-confident individuals by mastering inter personal, team management, and leadership skills.
- Develop all-round personality with a mature outlook to function effectively in different circumstances.
- Develop broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- Take part effectively in various selection procedures adopted by the recruitment.

The programme coordinator was **Dr. Rajesh V. Wagh** who was intended to motivate the students of Arts, commerce and BBA faculty.

**Mr. Uday Palve**, Trusty of Mula education Society's, Sonai, inaugurated the programme and expressed that rural students have a lot of talents and emphasized that they must be exposed to different situations so that their potential could be developed for their bright future and for the betterment of our community. He also addressed the participants that Soft Skill Development Programme is not only meant for developing personality of the students but is aimed at developing scientific view among the students of Arts faculty. The Arts students have lot of potentials and they should set the goal in order to forward to achieve success. He also emphasised the fact that lower aim is a crime. Employers prefer to hire and promote those persons who are resourceful, ethical and self-directed with good soft skills. In the corporate world hard skills are not enough but the students should strive hard to escalate the ladder of success with the means of soft skills. He also stressed the point that there are many budding talents among the students. The issue of employability of graduates has become very serious and critical. He assured the students that after completion of programme they will find the difference in their conduct. **Dr. Dnyandeo Zine, Vice-Principal of Arts, Commerce and Science College, Sonai** also shared his view with student. He said the students must do the hard work and think about innovation .For the success of the target soft skill is important.

After inauguration of the function, the first session of the programme was conducted by IQAC coordinator **Dr. J. C. Sonawane**. He explained the ten days programme schedule, the origin of the

scheme, the role of university in promoting the programme to the participant students. And delivered the lecture on the topic **Goal setting** also he has given a lecture on the topic **Transaction Analysis**.
