Objective:

To explore cooperation, knowledge sharing and opportunities in innovation, entrepreneurship and start-ups for academic and practical engagement related to agriculture sector.

No. Of Participants – 05 Students along with 01 Faculty member

As per MoU between MES Arts, Commerce and Science College Sonai and Adarsh Grameen Agro Producer Company Limited, Pimprilauki A agricultural workshop organized in between 22nd to 24th January 2024. College students took participate in it with the help of faculty member. This workshop was organized by Adarsh Rural Agricultural Producers Institute for students, farmers, educationists and researchers. This workshop was organized by Adarsh Rural Agricultural Producers Institute for students, farmers, educationists and researchers. The workshop included a visit to three important agricultural sites namely Agricultural Festival Baramati, Onion and Garlic Research Centre, Rajgurunagar and Sahyadri Farms, Nashik. Various innovative farming techniques and effective use of modern technologies like AI, drones were discussed at the Agricultural Fair held at Baramati. Onion and Garlic Research Centre, Rajgurunagar informed about ongoing research and development efforts aimed at increasing crop yield, quality and disease resistance. Sahyadri Farms Nashik demonstrated the importance of organic farming in promoting environmental stewardship by demonstrating sustainable farming practices.

### **Participant List**

Sr. No	Name of Students	Class	Designation
1	Darandale Shubham Dattatray	F.Y. B.Sc	Student
2	Bankar Devendra Vijay	F.Y. B.Sc	Student
3	Nagare Nilesh Parasram	F.Y. B.Sc	Student
4	Bankar Saurabh Ramesh	F.Y. B.Sc	Student
5	Avhad Kiran Mhatardev	F.Y. B.Sc	Student
6	Navale Chandrakrant Nawale	F.Y. B.Sc	Student
7	Darandale Virendra Sanjay		Assistant Professor

**Outcome:** Student understands the new innovation in farming area and use of techniques for same.
