A) Descriptive Report

Introduction : An industrial visit for the **B.B.A. and B.Voc students** was organized from **16th January 2025 to 18th January 2025**, covering **Kolhapur Zilla Sahakari Dudh Utpadak Sangh Ltd. (Gokul)**. The visit was conducted under the supervision of **Mr. Rathod V. P., Mr. Sayyad L. R., and Miss. Sudrik P. R.**, accompanied by **36 students** from **F.Y., S.Y., and T.Y. BBA and B.Voc.**

b) Description: Currently, Gokul operates a modern dairy plant with a capacity of 17 lakh liters per day and a satellite dairy at Udgaon, Taluka Shirol. Additionally, it owns four chilling centers with a total milk handling capacity of 8 lakh liters per day, along with a modern packing unit in Navi Mumbai to support milk production and distribution.

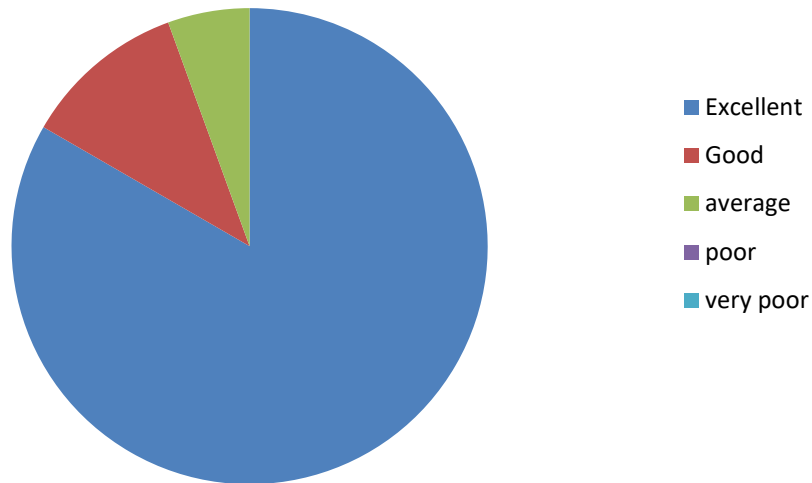

During the visit, students had the opportunity to observe various dairy processing techniques, packaging methods, and quality control measures. They also interacted with industry experts, who provided insights into the latest advancements and challenges in the dairy sector.

Students witnessed the entire milk processing cycle, starting from milk collection, pasteurization, homogenization, and packaging. They explored different sections of the plant, including the quality control lab, where they learned about the various tests performed to ensure milk safety and quality. Additionally, students saw the automated packaging line, where milk and other dairy products were packed efficiently for distribution. The visit also included an overview of cold storage facilities and transportation logistics, which play a crucial role in maintaining the quality of dairy products.

Outcomes: Outcome/Observation

- The visit enhanced students' understanding of production, processing, packaging, and marketing strategies employed by Gokul.
- It bridged the gap between classroom theoretical learning and real-world industrial practices.
- Students gained exposure to cooperative management and modern dairy technology.
- Interaction with industry professionals helped students gain insights into current challenges and innovations in the dairy industry.
- The visit contributed significantly to students' academic and professional growth, equipping them with industry-relevant knowledge and skills.
